

A modern, minimalist interior space, likely a lounge or common area. The room features a curved staircase with a glass railing on the right side. The ceiling is white with several circular recessed lights. The walls are made of vertical wooden slats. The floor is light-colored. There are several armchairs and a sofa arranged in a seating area. A large potted plant is visible on the right. The overall design is clean and contemporary.

A modern, minimalist interior space, likely a lounge or club. The room features a curved staircase with a glass railing on the right side. Large windows on the left wall provide ample natural light. The ceiling is white with several circular recessed lights. The floor is a light-colored, polished material. The furniture includes several armchairs and a sofa, all in a light, neutral color. There are also some potted plants and decorative items scattered throughout the space. The overall atmosphere is clean, bright, and contemporary.
